

## Size Table – UNIQ T-Shirts

www.sportexport.info/ts1.htm | www.uniq.biz

**Please note** that various brands & countries may have different cm/inch for the same size names. **So to find out our right size it's important you "measure and compare with your sample"** and follow these instructions:

1. Take your own (comfortable or target market) sample T-Shirt (not too tight)
2. Place it on a table and measure the sizes A as shown below (use chest height)
3. Compare with the chart below and advise us which size you need
